"Anointed to Preach, Teach, Heal and to Deliver"

Editorial

Dear Kingdom Key Holders:

Greetings and blessings to you! May the Lord direct all of your comings and goings this year!

May you see His presence go before you and may He be your rear guard.

It is hard to believe that the first month of this year is over. I am looking forward to communicating with you frequently this year.

Many of you have probably gone through key trials this month and in the last year. This is a time that we must not give in to the power of *evil watchers* who try to rearrange time and legal structures.

This has been a month to be aware of and pray for your Commander in Chief.

Who are you connected to? Who are the authorities in your life, and are you praying for them? Are you prepared for the future? This is a time to review your education or initiation into your next phase of life. Many have gone on fastings. *These help to purify the blood so the brain and heart will function properly.* This is a season that we must not be double-minded or caught between two opinions.

Ask the Lord to cleanse your conscience and "**let your good eye see.**"

This is a month to develop the plan of sustaining the generations. Pray for each of your children. May those that have strayed from His path begin to hear the call to return.

I'm very glad to write this editorial and am thrilled at what the Lord wants to do within our lives and in our generation.

I would love to mention here that the time we are in is a time where we are supposed to shout for joy!! I don't know what it is that might have been eating you up but I just feel like you need a shout for joy - just come to a place of rejoicing in the Lord - the lord is your defender; He will never at any time let you down! Only trust in His name and remember that it is all in His name! Whatever you need, all your dreams and visions, all your projects and plans are in His name! Whatsoever you want; just know it is in His name!!!!

Psa 5:11 But let all5 those that put their trust in thee rejoice: let them ever shout for joy, because thou defendest them: let them also that love thy name be joyful in thee.

Psa 5:12 For thou, LORD, wilt bless the righteous; with favor wilt thou compass him as with a shield.

The Lord cause His face to shine on you! ☪

Keep the Dream Alive

Justine Likuka

Galatians 6:9

"And let us not be weary in well doing for in due season we shall reap, if we faint not".

In echoing Calvin Coolidge's words, I would love to say here that 'Nothing in the world can take the place of persistence!

Talent will not; nothing is more common than unsuccessful men with great talent.

Genius will not; unrewarded genius is almost a proverb.

Education will not; the world is full of educated derelicts.

Not that I just want to say the above are not important but I just want to stress a point that there is absolutely nothing under the heavens that can take the place of persistence.

With God's help - Persistence and determination alone is omnipotent!

There is something to be said for those who do not give up easily on things and prevail in persistence with prayer, faith and hope. I think of the young man Joseph; who had a dream that God gave him, one that he was thrilled so well with that he could not help but tell others i.e his brothers.....

We know how the story goes and Joseph is sold, jailed and after some time placed as the second in command!..... then after many years, we see his brothers bowing and thus fulfilling the dreams which God had given Joseph those many years earlier!

I feel impressed today to say unto you - 'Keep your Dreams Alive!' I very much know that within the readership of this Newsletter are many if not all that have had Dreams, Hopes, Ambitions and Desires to do great things for God.

I want to proclaim that if they were indeed God inspired, they will come to pass.....'if we faint not,' but we must be persistent in the pursuit of seeing it fulfilled.

The clause in the portion of scripture above is in the fainting!

I want to put this forward like never before - for I know and can feel that this is Not a Time to Faint!

Point One:

Plant the seed

Like Joseph, we too serve a God who speaks great hopes and plants great dreams within our hearts and minds. I believe God would have us to dream Big things for Him, and for our lives.

A story is told of a man - a businessman who made plans to build a machine to do construction works for his business, that things may be done easier. And in a dream oe night, God showed him exactly what to do and how to build this great machine to work efficiently for him and the business. Well, when he built it, it was the greatest thing and there was none like it! Many wanted to buy the rights to it and manufacture it for sale, but the man held out. But God told him to give the sale and permit manufacturing of the product, so he did so.

The next night, God spoke another dream to the man and gave him the blue-print for yet a better machine to which he could produce. I proved to be even better and much more effective in this man's business.

God will speak to us and lead us in our dreams. After he does that, we must plant His dreams deep into our hearts and not relinquish what He has for us.

Allow for that dream to find root and lodging there; in season, there will be a harvest!

Luke 19 : 11 - 27

In this parable each servant was given one mina with which "to do business". This parable embodies, in symbolism, some of the greatest doctrines of the Bible.

None of you the children of the most High God will be left without a thing - Do Business Till He comes! [Beni]

Point Two:

Water & Fertilize It - Nurture It!

What I mean by this is that we should give much prayer and attention towards our dreams. May we find more of what the mind of God would be for this effort. Are there scriptures that would support it and breathe faith in my life towards this dream and effort! You will remember in Daniel 10 where Daniel was waiting on an answer from God to a certain prayer, but it was delayed for three weeks due to resistance in the Spirit world. But because of his persistence in prayer - never giving up; never throwing in the towel; and not letting the dream die, and answer was loosed and came to him! Praise God.

This proves to us again that we must remain steadfast and immovable in the ways of God. Be diligent to water and fertilize this dream - yes you too has a Dream! Pray and work towards it - remember; '...but they that wait upon the Lord.....'!

My dear, I encourage you to give attention to develop something in your life that would make this dream become a reality. Make efforts to make this a reality, don't just sit there - do something!!!!

We have to make action sometimes in our lives in order for something to be accomplished.

Point Three:

Wait for the growth:

Joh 12:24

Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.

Sometimes it may seem as though our dream has died.

It has fallen to the wayside and no attention is given to it; but remember - life comes from death!

It maybe at that point where it seems as though it is about to die that new growth may come.

You may say that your dream is about to die, and has died even, but I want to say to you that 'it has not died if you have not!' in other words, as long as you are still living, the dream is still living!

Hab 2:3

For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.

Think of these days of Habakkuk when the people were awaiting the Redeemer. From the time in the garden to the gospels there was no redeemer. Not that God could not do it, or had forgotten, or even changed His mind.... It is just that the time had not come yet. **It has an APPOINTED TIME to take place.**

Do not be in a hurry and overtake God's timings! God has it ordered, just as He has a perfect time and place for your dream and vision to be fulfilled and accomplished in your life. This reminds me of Ezekiel and the valley of bones - do you know that if he [Ezekiel] hurried, he would have raised an army of skeletons!!!!

He had to wait on God's instructions and formula, and TIME!

Even though it seems to take such a very long time - God is not finished yet! When He does - you will not ask; it will be plain truth!

Phil 1:6

Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ:

Time is not over yet - and God is not finished yet!

What God has planted in your heart some many years ago - He is not finished yet, He hasn't forgotten or forgone it. It will come to pass. What He has spoken to you will come to pass.

What God has purposed for your life and ministry or business or even career will come to pass.

We are often tempted to give up before we see the results we desire in our lives. The bamboo farmers of Malaysia could teach us a better lesson. It takes great wisdom and patience to cultivate a particular strain of a very valuable bamboo. How do they do it?

In the first year, they plant the seed, water and fertilize it. Nothing visible happens. In the second year, they continue to water and fertilize - nothing yet visible happens in the second year either. Then in the fifth year, they diligently water and fertilize, and the bamboo grows 90 feet in 30 days! I said 90 feet - not 9 inches!!!! Praise God. This plant grows from nothing to a height of a nine storey building - in 30 days. I like this persistence in these farmers - I wish we could do the same - water it and nurture it even though your eyes have not seen it yet! It starts rooting from the invisible world. Then when it becomes visible - there is no shuttering!

Just as this church and ministry was planted some years ago by a man with a dream - a revelation from God; what he envisioned back then, he may have never seen - he kept on watering and fertilizing it, and we will see it some day! The dream will never die - it is planted in our hearts. What God has purposed for Gates of Glory Ministries will be accomplished as we continue to pursue His will and follow His leading. What you have dreamed for your life; if indeed inspired by God, will come to pass. Just as it took Joseph a lifetime to see it happen, we too must wait upon the Lord!!!
